

About us

- Founded on 1 January 2004
- Our background is information providing, online news and economic-financial contents
- The founders are **Alberto Zambolin** and **Dario Mezzaqui**. **Andrea Pozzi** joined the group in 2007.
- We offer clients our skills and knowledge on contents to help them succeed in communication and marketing projects.
- We have an internal editorial team specialised in economy and finance who produces tailor- made articles , online guides, newsletters and educational information.
- We offer online solutions for listed companies and banks to help them communicate better in the following areas:
 - Corporate website
 - Investor Relation o Corporate social responsibility
 - Intranet
- Our projects include corporate websites, online sections studied for specific stakeholders, and publications both in html and on paper.
- We produce business and financial news, articles, video clips, educational information, specials, online guides on economy, financial markets, funding opportunities, personal finance for major media group portals.
- Our organization focuses on the client: the top management is directly responsible for client accounts, the production department deals with project development and implementation whilst our editorial staff provide the necessary contents.
- Our main office is in Via Melzi d'Eril 29, Milan but you can often find us in Rome, Turin, Genoa and Bologna. You can contact us on 0039-02-45498821 or write to us at info@messagegroup.it [1]
